

To Parents, Students, and Staff:

I am pleased to let you know that Mabank I.S.D. is working hard to maintain compliance with federal and state regulation concerning asbestos. Should you desire to review the asbestos management plan for your child's school, a copy of the plan is available in the principal's office as well as the school's central administration office.

If you have any questions, about the plan or this federally mandated program, please contact me at 903-880-1337

Sincerely,

Steve Templin
