

# Mabank ISD

## Non-Negotiables

### Data-Driven Instruction: Blueprint for Success

#### Regular Performance Analysis:

- Conduct thorough and regular analysis of student performance data.
- Utilize Robin's sheets to drive productive and data-informed discussions.

#### Formative and Summative Assessments:

- Implement both formative and summative assessments to consistently track student progress.
- Identify areas requiring improvement through continuous assessment.

#### Cyclical Review of Readiness Standards:

- Ensure a cyclical review process and ongoing assessment of Readiness Standards to maintain high instructional quality and student readiness.
- These steps are critical to constructing a robust educational framework and ensuring academic excellence.

### High-Quality Professional Development: Building Expertise

#### Ongoing Training:

- Provide continuous professional development for teachers and staff to stay current with best practices.
- Emphasize achieving MASTERY in both rigor and relevance.

#### Instructional Strategies and Subject-Specific Training:

- Focus on effective instructional strategies, robust classroom management, and specialized subject training.
- Equip educators with the tools needed for success in diverse classroom settings.

### Rigorous Curriculum Standards: Constructing Excellence

#### Alignment with State Standards:

- Ensure all curriculum and assessments align with state standards and benchmarks.
- Maintain a consistent and rigorous academic framework across the district.

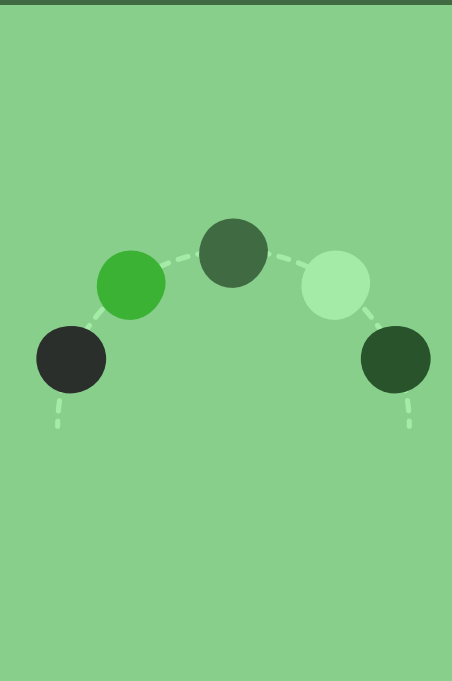

#### Emphasis on Critical Skills:

- Prioritize critical thinking, problem-solving, and the practical application of knowledge.
- Implement instructional models where students take the lead in their learning journey.
- Encourage questioning that stimulates deep thought and engagement, ensuring students are active participants.

#### Student-Driven Accountability:

- Adopt lesson plan models that foster student accountability and independence.
- Shift the classroom dynamic to reduce teacher-dominated instruction and increase student involvement.
- Design classroom practices that reflect these priorities, promoting an environment where students are responsible for their learning progress.

These foundational elements are essential for constructing a thriving educational environment, ensuring both educators and students achieve their highest potential.

### Student-Centered Learning environments: Building Foundations for individual Growth

#### Differentiated Instruction:

- Implement differentiated instruction strategies to address and meet the diverse learning needs of all students.
- Tailor educational approaches to ensure every student receives the support they need to succeed.

#### Support for Social-Emotional Learning (SEL):

- Integrate social-emotional learning (SEL) practices to foster the development of well-rounded, resilient students.
- Utilize Capturing Kids' Hearts (CKH) to create a supportive and nurturing school climate, promoting positive relationships and emotional well-being.

These elements are crucial in constructing a nurturing and effective educational environment where every student can thrive academically and personally.

### Accountability and Continuous Growth: Building a Culture of Excellence

#### Regular Evaluation:

- Conduct ongoing evaluations of programs and practices to ensure they are effective and meet district goals.
- Implement a systematic approach to assess and refine educational strategies continuously.

#### High Expectations:

- Set and maintain high expectations for both staff and students to foster a culture of excellence.
- Ensure that all members of the school community are aware of and committed to these standards.

#### Accountability for Results:

- Hold all staff and students accountable for achieving set goals and delivering measurable results.
- Promote transparency and responsibility at all levels to drive continuous improvement and success.

These foundational elements are essential for constructing a robust and accountable educational environment, ensuring sustained growth and excellence in our schools.
